DEDICATION

To Mrs. Brenke, our principal.

On behalf of all the students that came before us, we want to thank you for all your hard work and dedication. You always made each student feel special and each life you touched you made better. Enjoy your retirement and always remember your last class at Taconi, the Class of 2002-2003!

A Yearbook is more than printed pages and photographs. It is, in a very real sense, a record of memories - your memories - the memories you hold both individually and in common as students of N.E. Taconi Elementary School. It is my sincere hope as well as the hope of the faculty and staff that those memories are pleasant ones; ones which you will cherish throughout your life. It is our hope that your days at Taconi have been enjoyable as well as filled with learning and growth. You have received an education that will serve you throughout your lives, and the memories within these pages will serve you in those quiet moments when you turn your thoughts back to the days you spent with us.

On behalf of the faculty and staff, I wish you health, happiness, and success throughout your lives.
